

The banner stand that works for you.

- Your graphic draws attention to your literature from a greater distance
- Make it double-sided and catch your audience coming and going
- Clear Lexan literature components will not scratch like typical literature holders and will allow your entire brochure to be seen
- Display your brand image or promotional message on the vertical base
- The entire system quickly folds down to a compact size for easy portability and storage into two bags

The infoPlus combines a high quality literature rack with a graphic for a super look

info PLUS™

112" high fabric banner

89" high fabric banner, double-sided

A new look in literature racks

The infoPlus combines a high quality literature rack with a graphic for a Super Look! You can make it double-sided and catch your audience coming and going. To customize your display, add your brand image or promotional message on the vertical base. With the combination of a light, literature rack and graphic, the infoPlus is a banner stand that works for you.

Optional 50w Halogen
Spotlight with Bag
